- Lead and assist team members to build ISP projects per plan and scope
- Daily reporting to project managers for time tracking and daily activities
- Work directly with customer and attend required meetings as needed
- Testing and reporting of copper and fiber cabling as required by customer and/or manufacture specifications
- Order required materials as needed
- As-Builts
- Assisting with final customer deliverables
- Installation of voice and data cabling infrastructure per provided plan and scope
- Follow quality control program to assure proper installation
- Perform QC walk through on completed projects
- Perform site surveys and provide detailed information to management
- Other duties as defined by management

Skills/Qualifications:

- Ability to install, dress, terminate, test and label CAT 5,CAT 5E, and CAT 6 cabling
- Ability to install, dress, terminate, test and label fiber optic cabling
- Terminate jacks 66/110 block patch panels
- Ability to read and understand maps, drawings and diagrams for project build processes
- Understanding and ability to create AS-Built drawings

- Knowledge of commonly-used concepts, practices and procedures for the installation of cable pathways and materials within the building envelope
- Understanding of Fire Wall penetrations
- Ability to trouble-shoot copper and fiber ISP and OSP a plus
- Knowledge of copper and fiber testing procedures
- Understanding of Comm room designs
- Knowledge of NEC and local building codes
- Current first aid and CPR training preferred
- BICSI certifications welcomed.
- Other Manufacturer Certifications welcome
- Excellent verbal, written, phone, and interpersonal skills
- Proven strong analytic / problem solving skills
- Ability to work in a fast paced high volume work environment
- Dependable, flexibility to work weekends and holidays, as needed
- Work independently under minimal supervision
- Must be able to perform physical activities (lifting heavy equipment up to 50lbs unassisted, bending, standing, climbing, or walking)
- Must possess valid (Class C) Drivers license, with good driving record.

Benefits:

- Competitive wage
- Medical
- Prescription
- Vision
- Dental
- 401(k)
- Paid Time Off (PTO)
- Holidays
- Life Insurance/AD&D
