

SEFNCO Communications is currently recruiting for a Mechanic to support our Sumner, WA facility!

Operating from multiple locations, SEFNCO Communications has the ability to provide single source engineering, construction, and management solutions that meet the growing needs of phone, broadband, cable and cellular companies throughout the Western United States. Our expertise has positioned us to support local, State, and Federal agencies, including military installations. It is the same fundamentals that founded the company that drive the company today. SEFNCO Communications is committed to providing the highest level of quality service to our customers and the communities we live in.

Job Purpose:

In addition to the required mechanical skills the individual must be able to coordinate and prioritize numerous activities at the same time while ensuring the most relevant issues are completed timely and accurately. Ideal candidate will have welding and fabrication experience in addition to the mechanical experience. SEFNCO Communications has a variety of vehicles and equipment in the fleet that requires preventive maintenance and repair service. They include but are not limited to: Ford, GMC, Chevy, International, John Deere, Ditch Witch and Vermeer.

Required Qualifications:

- Five years or more of electrical diagnostics on multiple types of vehicles and equipment
- Ability to read and understand schematics; electrical and hydraulic
- Basic understanding of hydraulic systems
- Basics of mathematics and electronics
- Valid driver's license and satisfactory driving record
- CDL Class A endorsement
- Successful criminal background check and negative pre-employment drug screen
- Physical ability to perform all duties assigned
- Capable to read, write, and speak English in order to communicate with employees, customers, suppliers in person, written or on the phone
- Excellent communication skills and judgment
- Excellent record keeping skills
- Competent with computers and ability to learn new software programs
- Capable of working while standing, sitting or laying on or near vehicles for long periods of time
- Work and travel in inclement weather when necessary while working from a field service truck
- Exposure to moderate noise levels
- Ability to work a varied schedule
- Provide your own tools
- Ability to read, analyze and interpret documents, processes and complex schematics
- Ability to respond effectively to inquiries or complaints

Skills/Qualifications:

- High School Diploma or GED
- Lift and carry up to 70 lbs
- Punctual, regular and consistent attendance
- Ability to speak Spanish is an advantage
- Perform work in a safe manner at all times
- Other responsibilities as assigned by management.

Benefits:

- Competitive wage
- Medical
- Prescription
- Vision
- Dental
- 401(k)
- Paid Time Off (PTO)
- Holidays
- Life Insurance/AD&D
